The quotations should be superscribed "Quotations for Pumping Set required for Krishnarajanagar Water Works" with the above enquiry number.

This enquiry will be closed on the 24th October 1947.

SCHEDULE.

1 Pumping Set of the following specification ... ONE

I. PUMP :—One centrifugal pump having horizontal spilt casing with phosphor bronze impeller, capable of discharging 120 gallons of water per minute against a total head of 350 feet from all causes. There must not be any undue heating effect on the motor and working troubles in the pump such as end thrust. The bearing should be of ball and roller type of heavy quality, the bearing caps being fitted up with grease nozzles to admit of grease gunning. One end of the shaft should be fitted up with flexible coupling to be directly coupled on to an induction motor mounted on a common bed plate.

The following accessories may be included in the quotation :—

- 1 One sluice valve.
- 2 One reflex valve
- 3 Pressure and vacuum gauges
- 4 One set of roller and ball bearings.

II. MOTOR :—One drip proof casing electric motor of about 30 H.P. capable of driving the above pump, to run on 220 volts, 25 cycles, 3 phase power supply at present and to run on 400 volts, 50 cycles 3 phase 4 wire, system later on when the change in power supply takes place.

The motor is to be mounted on a common bed plate and directly coupled with the above pump by means of a flexible coupling.

Accessories :—(1) A suitable oil immersed starter with overload and no-volt relays.

(2) One suitable Ammeter and Voltmeter.

N.B.—Illustrated literature of the pumping set offered should accompany the quotation.

Hardware Materials.

Dear Sir/Gentlemen,

No. S. P. C. 8759-80. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the undermentioned schedule, in the form printed below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions:—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Hardware materials required for Krishnarajasagar Division" with the above enquiry number.

This enquiry will be closed on the 18th October 1947.

The firms dealing in inks.

Enquiry No. 8558.

Supply of fluid ink and ink powders required for the Government Stationery Depot during 1947-48.

Gentlemen,

No. S. P. C. 9056-80. Please be good enough to intimate your best prices for delivery f.o.r. Bangalore City and the earliest time of delivery for the materials described below:—

	Quantity
1 Blue Black best quality fluid Ink in Jars or Bottles of 40 ozs. each	500 Jars
2 Blue Black Ink Powders in tins or packs of 6 packets, each packet to produce 12 ozs. of best fluid Ink.	5,000 tins or packs.
3 Red Ink Powders in packs of 6 packets, each packet to produce 12 ozs. of best fluid Ink.	3,000 tins or packs.

N.B.—One set of sample of fluid Ink and Ink Powders offered should be furnished direct to the General Manager, Mysore Industrial and Testing Laboratory, Malleswaram P.O., before 17th October 1947 for getting the Inks tested at the Laboratory on payment of the required test charges of Rs. 21 per sample and for furnishing to this office copies of the Test Reports before the 20th November 1947 at the latest. The duplicate sets of samples should be submitted to this office along with your tender. Please note that your quotation for Inks will not be considered if the necessary Test Reports are not furnished as required above.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions:—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotation should be superscribed "Quotations for supply of inks required for the Government Stationery Depot during 1947-48" with the above enquiry number.

The enquiry will be closed on the 20th November 1947.
